I tried several kinds of physic for over three years; and, of course, while I took it every night my boxels would move; but as soon as I stopped taking physic, I would be constipated and would have Piles terribly.

Theard of 'Fruit-a-tives' and bought one box and took them. Now I am not troubled any more with Constipation and no more Piles. 'Fruit-a-tives' did for me what no other medicine ever did; they left no after-effects, and now I do not have to use physic.
